

Printing from Quark v6-6.5

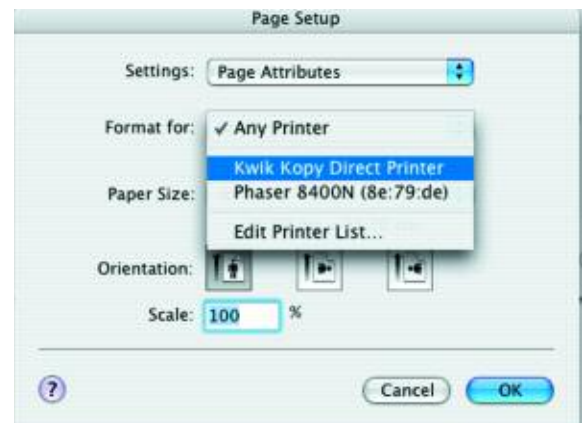

Select Print from the file menu

In the "Setup" tab select the "Direct you Kwik Kopy Store" printer description.

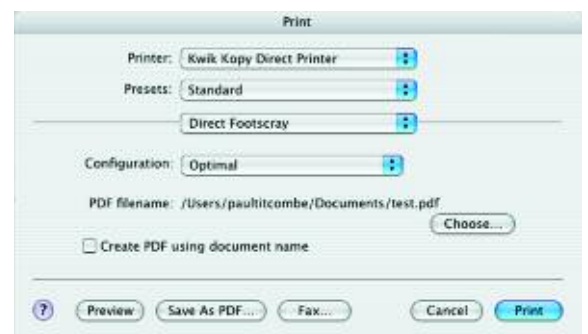

Click on "Page Setup" and a new window will open (right)

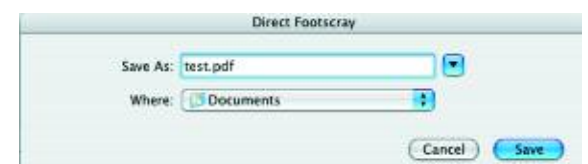

In the "Format for" drop down menu select the Kwik Kopy Direct Printer (right). Then click OK.

Now click on the "Printer" button

In the "Printer" option select Kwik Kopy Direct Printer and in the menu underneath "Presets" select "Direct you Kwik Kopy store" name.

If you uncheck "Create PDF using document name" and click "Choose" you rename and choose where to save your PDF (right). Now click "Print".

A pop-up window will appear for you to "preview" and then "submit" your file to your favourite Kwik Kopy store.
